

From the Ministry of Environment, Urbanization and Climate Change:

**REGULATION DRAFT ON AMENDMENTS TO THE REGULATION ON REGISTRATION,
EVALUATION, AUTHORISATION AND RESTRICTION OF CHEMICALS**

SECTION ONE

General Provisions

ARTICLE 1 - The following paragraph has been added to Article 12 of Regulation on Registration, Evaluation, Authorisation and Restriction of Chemicals.

“(5) As a result of the studies to be carried out together with the sector and the Union of Chambers and Commodity Exchanges of Turkey, issues regarding the joint registration process, including leader selection and data and cost-sharing, will be carried out within the framework of the procedures and principles to be published by the Ministry.”

ARTICLE 2 - The date “31/12/2023” in the first paragraphs of Articles 24 and 25 of the same Regulation has been amended to “31/12/2030”; the date “31/12/2025” in the third paragraph of Article 25 has been amended to “31/12/2032”; the date “31/12/2020” in Provisional Article 1 has been amended to “until the periods specified in the procedures and principles to be published by the Ministry”.

ARTICLE 3 - Subparagraph (a) of the first paragraph of Article 66 of the same Regulation has been amended as follows and, Subparagraph (b) has been added and other subparagraphs have been consolidated accordingly.

“a) Article 6 of the same Regulation on the deadlines of the tonnage-dependent periods specified in the first paragraph of the Provisional Article 2 of this Regulation”

b) Articles 40 to 44 and Articles 47 to 49 on the date of 31/12/2026; Articles 45 and 46, and Articles 50 to 56 on the date of 31/12/2028”

ARTICLE 4 - In the first paragraph of Article 39 of the same Regulation, the part after the phrase “...including test proposals and”, has been amended to “for all proposals received under the first paragraph of the Provisional Article 2 of the Regulation within the deadlines determined depending on the tonnage amount, within 2 years following the expiration of the periods specified in the same paragraph”.

ARTICLE 5 - The first paragraph of Provisional Article 2 of the same Regulation has been amended as follows and, the second paragraph has been added and the other paragraphs have been consolidated accordingly.

“Provisional Decision

PROVISIONAL ARTICLE 2 - (1) Provisions of Articles 7 and/or 8 or 17 or 18 of the Regulation

a) shall apply until 31/12/2026 for substances that provide the following conditions,

1) substances manufactured or imported in their own form or in a mixture or in goods in an annual amount of 1000 tonnes or more,

2) substances manufactured or imported in their own form or in a mixture or in goods in an annual amount of 100 tonnes or more, and that are within the Aquatic Acute 1 and Aquatic Chronic 1 (H400, H410) hazard categories according to the Regulation on the Classification, Labelling, and Packaging of Substances and Mixtures published in the Official Gazette dated 11.12.2013 and numbered 28848 (1st Duplicate),

3) substances manufactured or imported in their own form or in a mixture or in goods in an annual amount of 1 tonne or more, and that are within the Carcinogenic, Mutagenic, and Reprotoxic Category 1A and 1B hazard categories according to the Regulation on the Classification, Labelling, and Packaging of Substances and Mixtures.

b) without nullifying the period given in subparagraph (a) of this paragraph, for substances manufactured or imported in their own form or in a mixture or in goods in an annual amount of 100 tonnes or more

shall apply until 31/12/2028,

c) without nullifying the period given in subparagraph (a) and subparagraph (b) of this paragraph, for substances manufactured or imported in their own form or in a mixture or in goods in an annual amount of 1 tonne or more

shall apply until 31/12/2030.

(2) The procedures and principles regarding the registrations and provision of data within the scope of the Regulation shall be determined by the Ministry.

ARTICLE 6 - This Regulation shall enter into force on the date of its publication.

ARTICLE 7- The provisions of this Regulation shall be enforced by the Minister of Environment, Urbanization, and Climate Change.
